

## CASE ARTIST

"It is my distinct pleasure to custom create your requested project *by hand* to showcase your hides beauty, so that you may enjoy the rewards of your hunt and share your story."

*- Jillian Whitten*

## PROCESS

- Ship your tanned hides to the WGC studio via UPS, FedEx or USPS and you will be notified once your package arrives.
- Your hides will be evaluated by size, thickness and temper.
- You will be contacted to further discuss project details and customizations.

## FAQ

- **Don't have enough hide?** Compliment with Whitten's leather/ other wild hides to create an intentional design look.
- **Holes in your hides?** Holes can be repaired, covered up or avoided during design planning.
- **What about my left over hide?** All remaining pieces will be returned with your projects.
- **Hides aren't tanned yet?** Inquire which tanning method is preferred based on your hides and project requests.
- **Change your mind?** Return shipping will be coordinated.
